Out-of-network benefits are subject to the same eligibility, availability, frequency of benefits, and limitation and exclusion provisions of the plan; and are in lieu of services provided by a participating Avesis provider. If the following conditions do not apply, members will receive Avesis' Preferred Pricing (20% off retail).

The contact lens allowance may be used all at once or throughout the plan year as needed or may be applied toward contact lenses only, or both contact lenses and professional services (fitting fees).

Only one co-pay applies to either frame or lenses.

Termination Provisions: Coverage will end on the earliest of: the date the policy ends, the date the employee's employment ends, or the date the employee is no longer eligible.
