

Policy Title:

Attendance Area Boundaries

Code No. *501.5*

Attendance area boundaries shall be determined by the Board of Education.

Students shall attend the school in the attendance area in which they live, except upon special assignment to another attendance center and with approval by the appropriate administrator.

Students moving within the district will attend the building center to which their residence is assigned. Under certain conditions the student may be permitted to remain at the original center or to be assigned to another attendance center by the appropriate administrator.

There may be occasions when parents request, that a student be permitted to remain at their original school. In such circumstances, approval may be given by the appropriate administrator for the student to remain temporarily at the original school. Such temporarily extended enrollments should terminate at a logical break point in the school year such as a vacation period, a reporting period or the end of the school year. When such a request is initiated by the parents, any needed transportation shall be provided by the parents except as may be otherwise required by law.
