

2019 GATEWAY ACADEMY

Camp for 7th & 8th Grade Students to Explore Careers in Engineering, Manufacturing & Technology

Do you like to solve problems?

Is creating and designing new ideas, products and inventions interesting to you?

Do you want to explore new careers and take part in FUN activities?

The Gateway Academy camp hosts students from 8:30-3:00 each day.

Students enjoy learning while taking part in activities that include:

- ◆ Designing projects, bridges, machines, towers, rockets, race cars, and more!
 - ◆ Discussing future careers with community leaders
 - ◆ Working with fellow students to develop leadership skills
