

Policy Title:

*Statement of Guiding Principles*

Code No. *200.1*

It is the policy of the Board of Directors to organize and maintain the distinction between those activities which are appropriate to the Board of Directors as the legislative governing body of the school district, and those administrative activities which are to be performed by the superintendent of schools and the staff in the exercise of a delegated administrative authority. The function of the Board can be described as policy-making, appraisal, and evaluation.

The Board of Directors shall have the further duty of allocating financial means as provided by state statute and/or federal allocation. They shall also ensure that the community be informed of the needs, purposes, values, and status of the schools.
